EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Nicholas on 11/4/04.

Cancel claims 2, 3 and 4.

In claim 8, line 1, change "1" to -7-.

In claim 16, line 1, change "3" to -1-.

In claim 1, line 3, after "therein" insert:

- , said board support portion comprised of a front wall, a back wall, a first side wall, a second side wall and a base portion, the front wall including a first flange and a second flange, each of said flanges extending from the back board receiving pocket, and defining an opening forming a carrying handle;-

In claim 17, line 3, after "board"; insert"

— said back board receiving unit means comprising a back board receiving pocket defined by a front wall, a back wall, a first side wall, a second side wall and a base portion, the front wall including a first flange and a second flange, each of said flanges extending from the back board receiving pocket, and defining an opening forming a carrying handle;-

in claim 17, line 6, change "means" to:

Art Unit: 3673

-pocket-

In claim 18, line 2, change "backboard" to;

-back board-

The following is an examiner's statement of reasons for allowance: On 11/4/04, Mr. Nicholas and I discussed the invention, the claims, and the crowded prior art cited on PTO 1449 as well as Lombard and Selby (cited on PTO 892) both brought (earlier) to Mr. Nicholas's attention.

Mr. Nicholas persuasively argued that the claims, as amended above, set forth flanges (132, 134) that form handles (136, 138), features that are not taught or suggested by the crowded prior art of record, including Lombard and Selby, the closest prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Alexander Grosz at telephone number (703) 308-2498.
